ELECTRON ST – Strong, compact and handy

The new ELECTRON ST is a real powerhouse among Leister's hand tools. The appearance of this tool has been modeled after the new TRIAC range. For the user, this means improved ergonomics and, as a result, the ability to work in more comfort. Existing ELECTRON nozzles fit the new model.

Product advantages

1		Powerful: Suitable for any application thanks to its outstanding power rating of up to 3400 W.
2		Perfectly ergonomical: 100 grams lighter and with a 2 component handle that's up to 8 mm slimmer than its predecessor.
3		Infinitely adjustable: Easy air temperature adjustment up to 650°C.

4		Clean: Air filters, located on either side, can be removed and cleaned in no time at all.
